

Initial Broadband Inquiry Form

Congratulations on receiving a grant to improve broadband in Idaho. Idaho Power is excited to work with you. The form below will help Idaho Power determine the next steps to take to move your project forward.

Please download this form, fill it out and email a scanned copy to JointUseDept@idahopower.com. Idaho Power will contact you within seven business days of receiving the form.

Network

Who will be the owner of the network? _____

Does the owner of the network have an active Facilities Attachment Agreement with Idaho Power? _____

Yes No

- Is the network solely intended for city or county services, and not for services to homes, schools or businesses?
- Does the city or county intend to operate the fiber-based broadband network or lease the network to a third-party operator (Internet Service Provider)?
Who is the third-party operator? _____
- Will the city or county or third party be responsible for ongoing maintenance, relocations and repair?
If not, who will be responsible? _____
- Will the city or county have staff dedicated to the ongoing management of the network (e.g., emergency repairs, forced and customer funded relocations, violation correction, etc.)?
If not, who will manage the network? _____

Project-Specific Questions

Yes No

- Will grant money help fund the project?
If yes, when will grant money be awarded? _____
- Is there an estimated completion date for the project? If yes, when? _____

Project Boundaries _____
