

2026 Incentives

LIFE SCIENCE

Idaho Power is partnering with distributors and manufacturers to offer big savings on high-efficiency ultra-low temperature (ULT) freezers, high-efficiency laboratory grade refrigerators and high-efficiency laboratory grade freezers installed in the Idaho Power service area. Participating suppliers apply the rebate at the point-of-sale—no waiting, no paperwork!

HOW TO PARTICIPATE

Choose qualifying equipment. Ask your distributor what qualifying model may be right for your facility. Confirm that the unit being sold qualifies for a rebate by checking the ENERGY STAR® product finder at energystar.gov/productfinder.

Complete your purchase. Confirm that your equipment will be installed at a facility that receives electric service from Idaho Power.

Receive your instant rebate. The rebate will be applied as a discount on your invoice.
