Flexible Time Off

Employees at Idaho Power earn a generous amount of Flexible Time Off (FTO) each pay period to use for vacations, sick time, or other purposes. Newly hired or rehired employees will receive 40 hours of FTO upon their hire date. In turn, their rate of FTO accrual for the first 12 months of employment or re-employment will be in accordance with the first year of service accrual rate listed in the table below. After the initial 12 months, these employees will accrue FTO based on their applicable years of credited service.

Part-time employees accrue FTO based on the number of hours they are regularly scheduled to work.

Length of Service	First Year of Employment/Re-employment	After First Year of Employment/Re-employment	Days Per Year
0 to 4 years	4.65	6.15	20
5 to 9 years	6.15	7.69	25

2025 BENEFITS Guide

This material summarizes only certain features of Idaho Power's benefit plans. For more complete descriptions, refer to the appropriate summary plan description (SPD). If there is a conflict between the description of benefits in this summary and the appropriate SPD, the language in the SPD or the appropriate plan document will govern all rights and responsibilities of the company, its employees and their dependents and beneficiaries.

Neither this summary nor any of Idaho Power's policies or benefit plans should be considered a contract for purposes of employment or payment of compensation or benefits. Employment with Idaho Power is "at will" and may be terminated at any time, with or without cause, by either the employee or the company.
