

## New Construction and Major Renovations: Final Application Checklist

|                |       |
|----------------|-------|
| Project Number | _____ |
| Date Submitted | _____ |

### Final Application

- ☐ Complete Final Application
  - ☐ Customer Payment Information - Tax ID
  - ☐ Customer Payment Information - Official Tax Name
  - ☐ Customer Payment Information - Contact Email Address
  - ☐ Professional Assistance Payment Information - Tax ID
  - ☐ Professional Assistance Payment Information - Official Tax Name
  - ☐ Professional Assistance Payment Information - Contact Email Address
  - ☐ Owner Signature
  - ☐ Measure-Specific Information (measures you are requesting an incentive on)

### Required Supporting Documentation

- ☐ Invoices or Proof of Purchase (POP) Letter for all measures
- ☐ Equipment Cut Sheets Showing Qualifying Performance for all measures
- ☐ COMcheck (Interior and Exterior Lighting) for L1 and L2
- ☐ Sequence of Operations (Controls) for C1

## Measure-Specific Documentation

| Measure                                              | Invoices/POP | Cut Sheets | COMcheck | Seq. Ops |
|------------------------------------------------------|--------------|------------|----------|----------|
| L1 Interior Light Load Reduction                     |              |            |          | N/A      |
| L2 Exterior Light Load Reduction                     |              |            |          | N/A      |
| L3a Luminaire Level Lighting Controls (Interior)     |              |            | N/A      | N/A      |
| L3b Luminaire Level Lighting Controls (Exterior)     |              |            | N/A      | N/A      |
| L4 Occupancy Sensors                                 |              |            | N/A      | N/A      |
| L5 Exit Signs                                        |              |            | N/A      | N/A      |
| A1 HVAC Units                                        |              |            | N/A      | N/A      |
| A2 VRF Units                                         |              |            | N/A      | N/A      |
| A3 Chillers Cooling                                  |              |            | N/A      | N/A      |
| A4 Economizer                                        |              |            | N/A      | N/A      |
| A5 Heat/Energy Recovery Ventilation                  |              |            | N/A      | N/A      |
| A6 HVLS Fans                                         |              |            | N/A      | N/A      |
| B1 Reflective Roof                                   |              |            | N/A      | N/A      |
| C1 EMS HVAC                                          |              |            | N/A      |          |
| C2 EMS Guest Rooms                                   |              |            | N/A      | N/A      |
| C3 HVAC VSD                                          |              |            | N/A      | N/A      |
| C4 Onion/Potato Shed Ventilation VSD (conditioned)   |              |            | N/A      | N/A      |
| C5 Onion/Potato Shed Ventilation VSD (unconditioned) |              |            | N/A      | N/A      |
| C6 Dairy Vacuum Pump VSD                             |              |            | N/A      | N/A      |
| C7 Dairy/Milk Transfer Pump                          |              |            | N/A      | N/A      |
| W1 Efficient Laundry Machines (Commercial)           |              |            | N/A      | N/A      |
| G1 Efficient Grain Dryer                             |              |            | N/A      | N/A      |
| E1 Stationary Pump Driven Circulation Block Heater   |              |            | N/A      | N/A      |
| E2 High Efficiency Battery Charger                   |              |            | N/A      | N/A      |
| E3a Wall Mounted Block Heater Controls               |              |            | N/A      | N/A      |
| E3b Engine Mounted Block Heater Controls             |              |            | N/A      | N/A      |
| R1 Low/No Heat Low Temp Doors                        |              |            | N/A      | N/A      |

| Measure                               | Invoices/POP | Cut Sheets | COMcheck | Seq. Ops |
|---------------------------------------|--------------|------------|----------|----------|
| R2 Auto High Speed Doors              |              |            | N/A      | N/A      |
| CA1 Air Compressor VFD                |              |            | N/A      | N/A      |
| CA2 No Loss Condensate Drain          |              |            | N/A      | N/A      |
| CA3 Low Pressure Drop Filter          |              |            | N/A      | N/A      |
| CA4 Refrigerated Compressed Air Dryer |              |            | N/A      | N/A      |
| CA5 Efficient Compressed Air Nozzle   |              |            | N/A      | N/A      |
| P1 Pool Covers                        |              |            | N/A      | N/A      |

### Submission Review

- ☐ Final Application Complete
- ☐ Supporting Documents Complete
- ☐ Ready for Submission
