# IDAHO POWERCACHE CHALLENGE

*Clean, renewable hydroelectric energy.*

Hi! My name is Roland — Roland on the River to be exact. And I'm excited to see you exploring Idaho and learning about the importance of hydroelectricity!

There are 12 Powercaches hidden across our service area. Once you visit each Powercache, use the code to download the digital stamp for your Powercache Passport. Save your stamps, then use the letters from each stamp to solve our word phrase challenge. Send us the solution to the challenge and we'll send you your Official Powercache Patch!
